Annual Bingham Lecture

'Spreading the Rule of Law: Mission Impossible?'

The Bingham Centre for the Rule of Law and Fountain Court Chambers are delighted to invite you to the third Annual Bingham Lecture.

To be chaired by **Lord Neuberger**, President of the UK Supreme Court, the event will take the form of a conversation on the internationalisation of the rule of law between:

- **Justice Angelika Nussberger**, the German Justice on the European Court of Human Rights and an expert in the countries of the former Soviet Union;
- **Chris Stone**, President of George Soros' Open Society Foundations and former Guggenheim Professor of the Practice of Criminal Government; and
- **Sir Jeffrey Jowell QC**, who is stepping down as Director of the Bingham Centre after its first five years.

You are invited to join us at a drinks reception and buffet following the panel's discussion
