

## **BIOGRAPHICAL SKETCH**

DANIEL GORDON is a Senior Director at the UK Office of Fair Trading, where he heads the Infrastructure and Knowledge Economy Group. Prior to that he headed the OFT's Market Studies' programme. He has been at the OFT since 2002. He joined the OFT from the UK Treasury where he held a number of posts, including heading a team that examined the structural determinants of economic growth. In this role he was involved in the thinking underlying the new competition legislation introduced in the UK in 2002. He joined the Treasury after working as an economic advisor at the Monopolies and Mergers Commission for 4 years, and before that he worked as an economic consultant. Daniel trained as an economist at Oxford University.
