

New Pan-European Competition Law Information Resource

A new and highly authoritative service to competition law practitioners providing access to Articles, Case Notes and Commentaries written by 200 leading practitioners and specialists in competition law at European and national level in each member state.

The service consists of:

- a **searchable archive of information** categorised by country; and
- a **weekly email alert service** containing links to the most relevant articles published each week for each member state.

To register for this service please visit www.linexlegal.com/competition
or email competition@linexlegal.com

For editorial queries please call our editorial team on +44 (0)870 446 0844
