

## *Contents*

1	The Issue and the Approach of the Study	1
	I. The Problem	1
	II. Methodological Approach	6
	III. Terms and Definitions	8
	A. What is Biodiversity?	8
	B. Environmental Economics and Biodiversity Conservation	10
	C. Biodiversity Valuation	12
	IV. Brief Overview of the Two Industries	16
	A. Pharmaceutical Industry	16
	B. Botanical Industry	19
	V. Drug Development and Biodiversity	22
	A. The Role of Genetic Resources and Traditional Knowledge on Drug Development	22
	B. Value of Undiscovered Drugs and Incentives Problems	29
2	Convention on Biological Diversity—Principles	33
	I. Introduction	33
	II. Genetic Resources in International Law: Before the CBD	33
	A. Initial Assessment: the Common Heritage Principle	34
	B. Intellectual Property: International Patent Law	36
	III. Treatment of Genetic Resources in the CBD	38
	A. Key Provisions	39
	B. Analysis of the CBD Objectives (Article 1)	41
	C. The Interrelationship Among the CBD Objectives	67
	IV. Summary and Conclusion	69
3	Access and Benefit-Sharing in the CBD—Bonn Guidelines	71
	I. Introduction	71
	II. Access to Genetic Resources and Benefit-Sharing in the CBD	71
	A. Access to Genetic Resources	73
	B. Benefit-Sharing and Intellectual Property Rights	75
	C. Indigenous Peoples	77
	II. The Conference of the Parties and the Bonn Guidelines	77
	A. The Conference of the Parties and the Access to Genetic Resources and Benefit-Sharing	78
	B. The Breakthrough of the COP 6: The Bonn Guidelines	83

IV.	Implementation Options of the CBD Access and Benefit-Sharing Provisions	87
A.	Implementation Options in General	87
B.	National Implementation Options	88
C.	Regional Implementation Options	89
V.	Summary and Conclusion	89
4	The International Debate on the Emerging ABS Regime— FAO, WTO and WIPO	91
I.	Introduction	91
II.	The Call for an International Regime at the WSSD, Johannesburg 2002	91
III.	International Initiatives for the Protection of Traditional Knowledge	92
IV.	The Food and Agriculture Organization	95
A.	From the International Undertaking to the International Treaty	96
B.	The Concept of Farmers' Rights	97
C.	Comparison of the Benefit-Sharing Legislation under the Bonn Guidelines and the International Treaty of Plant Genetic Resources for Food and Agriculture	97
V.	The World Trade Organization—TRIPS	99
A.	Short Historical Overview: TRIPS Agreement	99
B.	Key Provisions on Patentable Inventions	101
C.	Legal Tensions between TRIPS and the CBD	102
D.	Doha Development Agenda and Beyond	104
E.	Positions of the Parties on CBD—TRIPS Issue	105
F.	Remarks on the TRIPS Council Agenda	109
VI.	The World Intellectual Property Organization	110
A.	WIPO Activities on Traditional Knowledge and Genetic Resources	110
B.	Remarks on WIPO's Work	112
VII.	Summary and Conclusion	113
5	Selected Domestic and Regional Implementation	115
I.	Introduction	115
II.	National Access and Benefit-Sharing Policy: The Philippines	116
A.	Description	118
B.	Analysis and Evaluation	123
C.	Final Remarks	127
III.	Regional Access and Benefit-Sharing Policy: The Andean Pact	128

*Contents*

vii

A.	Description	129
B.	Analysis and Evaluation	135
C.	Final Remarks on the Andean Pact	143
IV.	Summary and Conclusion	145
6	Private Practice in Bioprospecting	147
I.	Introduction	147
II.	Institutional Policies	149
A.	The National Cancer Institute and the Calanolides	150
B.	The International Cooperative Biodiversity Groups Program in Peru	154
III.	Corporate Policies	161
IV.	Professional Society Standards	166
V.	Conclusion	169
7	Policy Evaluation	171
I.	Introduction	171
II.	Bioprospecting and Property Rights Considerations	173
A.	Property Rights to Land and Natural Resources	174
B.	Property Rights to Plant Genetic Material	176
C.	Intellectual Property Rights and Traditional Medicinal Knowledge	180
III.	Indigenous People's Rights	193
A.	Indigenous Peoples' Property Rights over the Resources	195
B.	Self-Determination and Permanent Sovereignty over Natural Resources	197
C.	Indigenous Peoples in International Treaty Law	198
D.	Indigenous Rights and Domestic Legislation	208
IV.	Process and Benefits Distribution in Access and Benefit-Sharing Agreements	212
A.	Process	212
B.	Agreements' Structures	213
C.	Benefits	216
V.	Considerations on International Cooperation and Biodiversity Governance	219
VI.	Summary and Concluding Remarks	224
