Security & Access Information

We look forward to welcoming you to the BT Tower and would like tell you about our security & access arrangements:

On arrival at reception you will be asked to show a form of official photographic identification, for example;

- New Style Driver's License
- Passport
- Company Photo Pass

After reception you will go through an airport style security check which includes;

- Walk through metal detecting arches
- A 3D x-ray baggage scanner

If you have any questions or concerns about this please contact your host, thank you.
