**Freedom of Information:
Extending Transparency to the Private Sector**

This event will consider the current legal framework and the range of private sector organisations that have been brought within its scope. It will explore differences in transparency requirements for private contractors, and proposals to further extend the FOI regime to private companies providing public services. The event will provide opportunity to hear both sides of the debate surrounding this important topic and practical implications of reforms in this area.

The event will be followed by a drinks reception at 19:00

Keynote Speaker

- **Rosemary Agnew**, Scottish Information Commissioner

Speakers

- **Steve Goodrich**, Open Governance Researcher, Transparency International UK
