Webcast Joining Instructions

MEETING LINK: http://is.gd/rojJeL

1. Click on the Meeting Link: http://is.gd/rojJeL.

2. When it’s time, click on ‘Join’.

3. A new window will open, and load a programme (you may be asked to download a small application).
4. You will be taken to the home page (see below). [The left hand column includes a PowerPoint and presentation section. The right hand side of the screen includes three drop-down sections: Chat, Video, and Participants. Under Video, there are three small icons on the right hand side where you can mute your microphone and turn off your webcam]. Select call using the computer.
Important Information – please read:

1. Please ensure your Microphone is on **mute**. This ensures there is no unnecessary background chatter.

2. A pop-up window will likely suggest to turn on your webcam. **We ask that you ignore this message** and leave your webcam **turned off**.

3. To join in the chat and for your messages to be displayed to everyone, please change your chat setting from ‘host’ to ‘everyone’.

4. To take part in this webcast you will need to have **JAVA** installed on your computer. Please check your computer settings in advance of the event.
