2. A PRACTICAL VIEW

TRUSTS (AMENDMENT NO. 4) (JERSEY) LAW 200-

A LAW to amend further the Trusts (Jersey) Law 1984.

Adopted by the States 25th April 2006
Sanctioned by Order of Her Majesty in Council [date to be inserted]
Registered by the Royal Court [date to be inserted]

Interpretation

In this Law “principal Law” means the Trusts (Jersey) Law 1984.

2 Article 9 replaced

For Article 9 of the principal Law there shall be substituted the following Articles –

9 Extent of application of law of Jersey to creation, etc of a trust

(1) Subject to paragraph (3), any question concerning –

(a) the validity or interpretation of a trust;

(b) the validity or effect of any transfer or other disposition of property to a trust;

(c) the capacity of a settlor;

(d) the administration of the trust, whether the administration be conducted in Jersey or elsewhere, including questions as to the powers, obligations, liabilities and rights of trustees and their appointment or removal; or

Respects party autonomy and promotes validity of local law trusts.

(Same as (b)). Avoids incapacity by home law of settlor and allows him to set up a Jersey law trust.

Brings welcome clarity as to the scope of Jersey law.

Trustees of Jersey law trusts do not want to encounter obstacles imposed by foreign law.

2. A PRACTICAL VIEW

(e) the existence and extent of powers, conferred or retained, including powers of variation or revocation of the trust and powers of appointment and the validity of any exercise of such powers,

shall be determined in accordance with the law of Jersey and no rule of foreign law shall affect such question.

(2) Without prejudice to the generality of paragraph (1), any question mentioned in that paragraph shall be determined without consideration of whether or not –

(a) any foreign law prohibits or does not recognise the concept of a trust; or

(b) the trust or disposition avoids or defeats rights, claims, or interests conferred by any foreign law upon any person by reason of a personal relationship to the settlor or by way of heirship rights, or contravenes any rule of foreign law or any foreign judicial or administrative order or action intended to recognize, protect, enforce or give effect to any such rights, claims or interests.

(3) The law of Jersey relating to –

(a) *légitime*; and

(b) conflicts of law,

shall not apply to the determination of any question mentioned in paragraph (1) unless the settlor is domiciled in Jersey.

(4) No foreign judgement with respect to a trust shall be enforceable to the extent that it is inconsistent with this Article irrespective of any applicable law relating to conflicts of law.

…

*Protects investors from civil law states from claims of family members and so “insulates” the trust.*

*Protects against application of other Jersey conflicts rules in related areas of law.*

*Should appeal to settlers in non-trust States or those with assets there.*

*Same as (a).*

*E.g. succession, property transfers.*

*No point in protecting Jersey law trusts if they can be undermined by litigation overseas.*
