This year's theme of "**Towards Uniformity**" looks at the extent to which uniformity has been achieved in relation to both specific and general aspects of the CISG, in its interpretation, obligations and remedies, and how uniformity might be improved in future. The conference also seeks to highlight the regional impact of the CISG in harmonizing sales law in Asia.

The Annual MAA Peter Schlechtriem CISG Conference: Towards Uniformity is hosted by the City University of Hong Kong and organized by the Moot Alumni Association (MAA) with the support of UNCITRAL. The MAA, founded in 1996, is the alumni association of the Willem C. Vis Moot. With a 650-strong membership, the MAA is comprised of students as well as distinguished academics and practitioners, and internationally-renowned arbitrators and practitioners. The MAA is actively involved in reducing barriers to trade through a number of its projects, including the publication of the **Vindobona Journal of International Commercial Law and Arbitration**, facilitating internships and employment related to these areas of law, a case translation program and collaboration with the United Nations Commission on International Trade Law (**UNCITRAL**) and the Institute of International Commercial Law, Pace Law School.
